Justin Bayles Memorial Photography Award

Photographer Justin Bayles was a long-time member and hearty supporter of Gallery 12, and his sudden passing in 2021 left a deep hole in the gallery membership. His family has kindly created the JUSTIN BAYLES MEMORIAL AWARD for excellence in photography, to be given at each of the gallery's open exhibits.

Photographic work submitted for consideration for the award may be of naturally-presented subjects, as well as altered reality images obviously displaying a change in natural color, form, shape, or any combination of these. Graphical images created entirely on electronic devices (computer, tablet, phone, etc.) will not qualify for the Bayles Award, but will still be eligible for the other awards for excellence.
